

Winfred Gatua

14/06/2023

P3_Away_Day

PhD Student
(MGLE, University of Bristol)

2021 - 2025

BSc Biomedical Science and Technology (Laikipia University, Kenya)

2013 - 2017

Graduate Intern (Institute of Primate Research, Kenya)

2016 - 2018

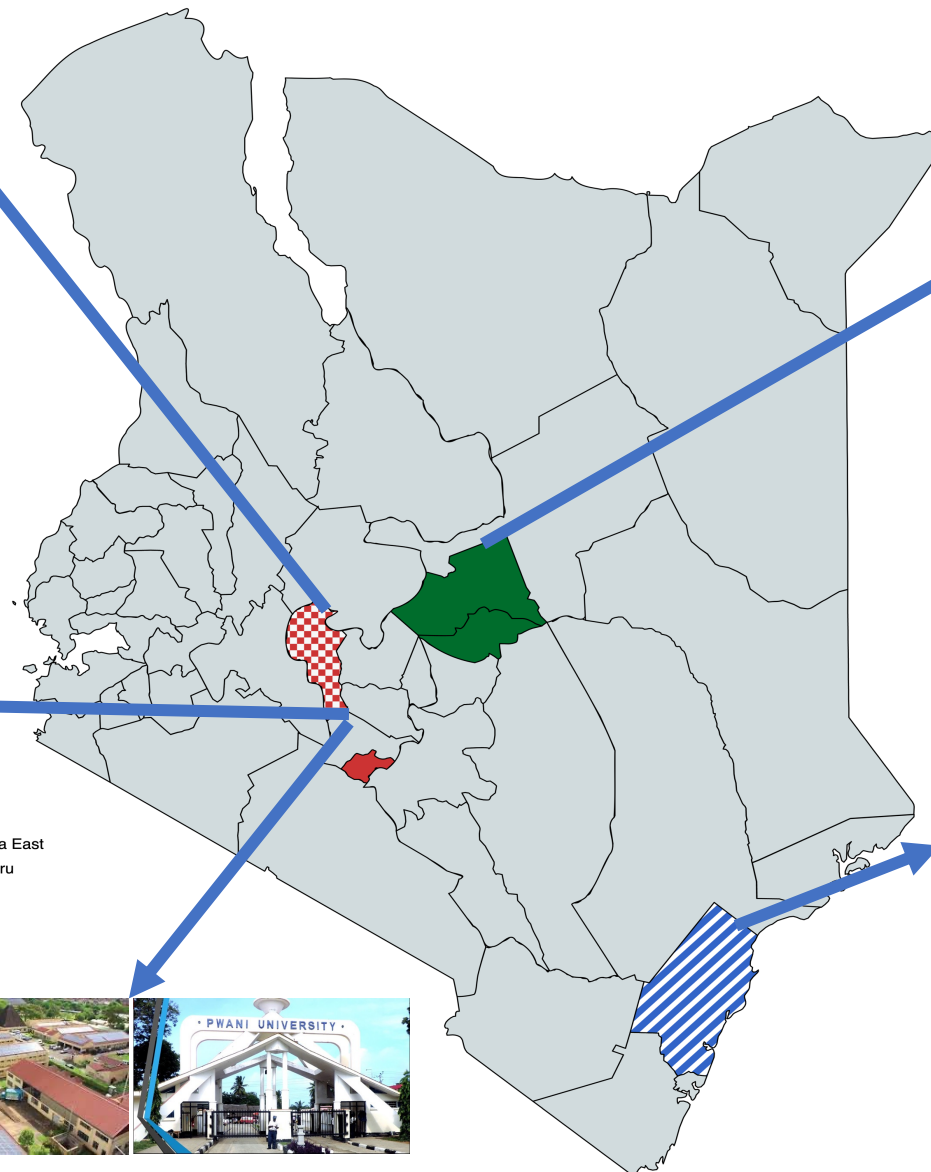

MSc Bioinformatics (Pwani University & [ICIPE](#) , Kenya)

2019 - 2021

Places

- Nairobi
- Mt.Kenya East
- Nyahururu
- Kilifi

PGD Health Research Methods (Pwani University & [KWTRP](#) , Kenya)

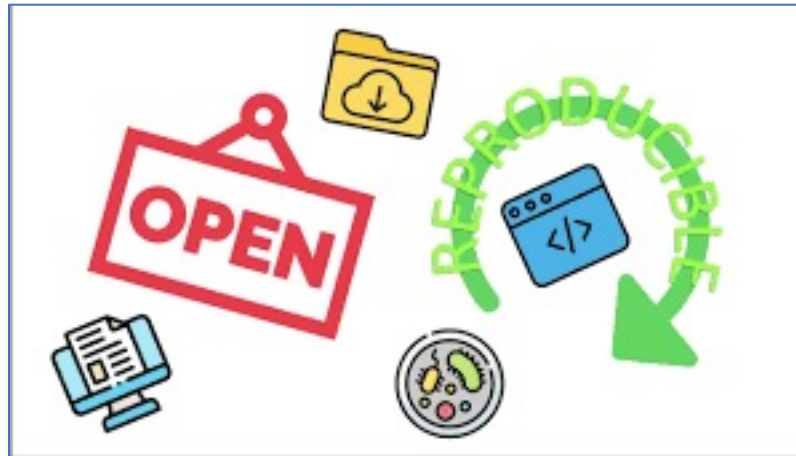

2018 - 2019

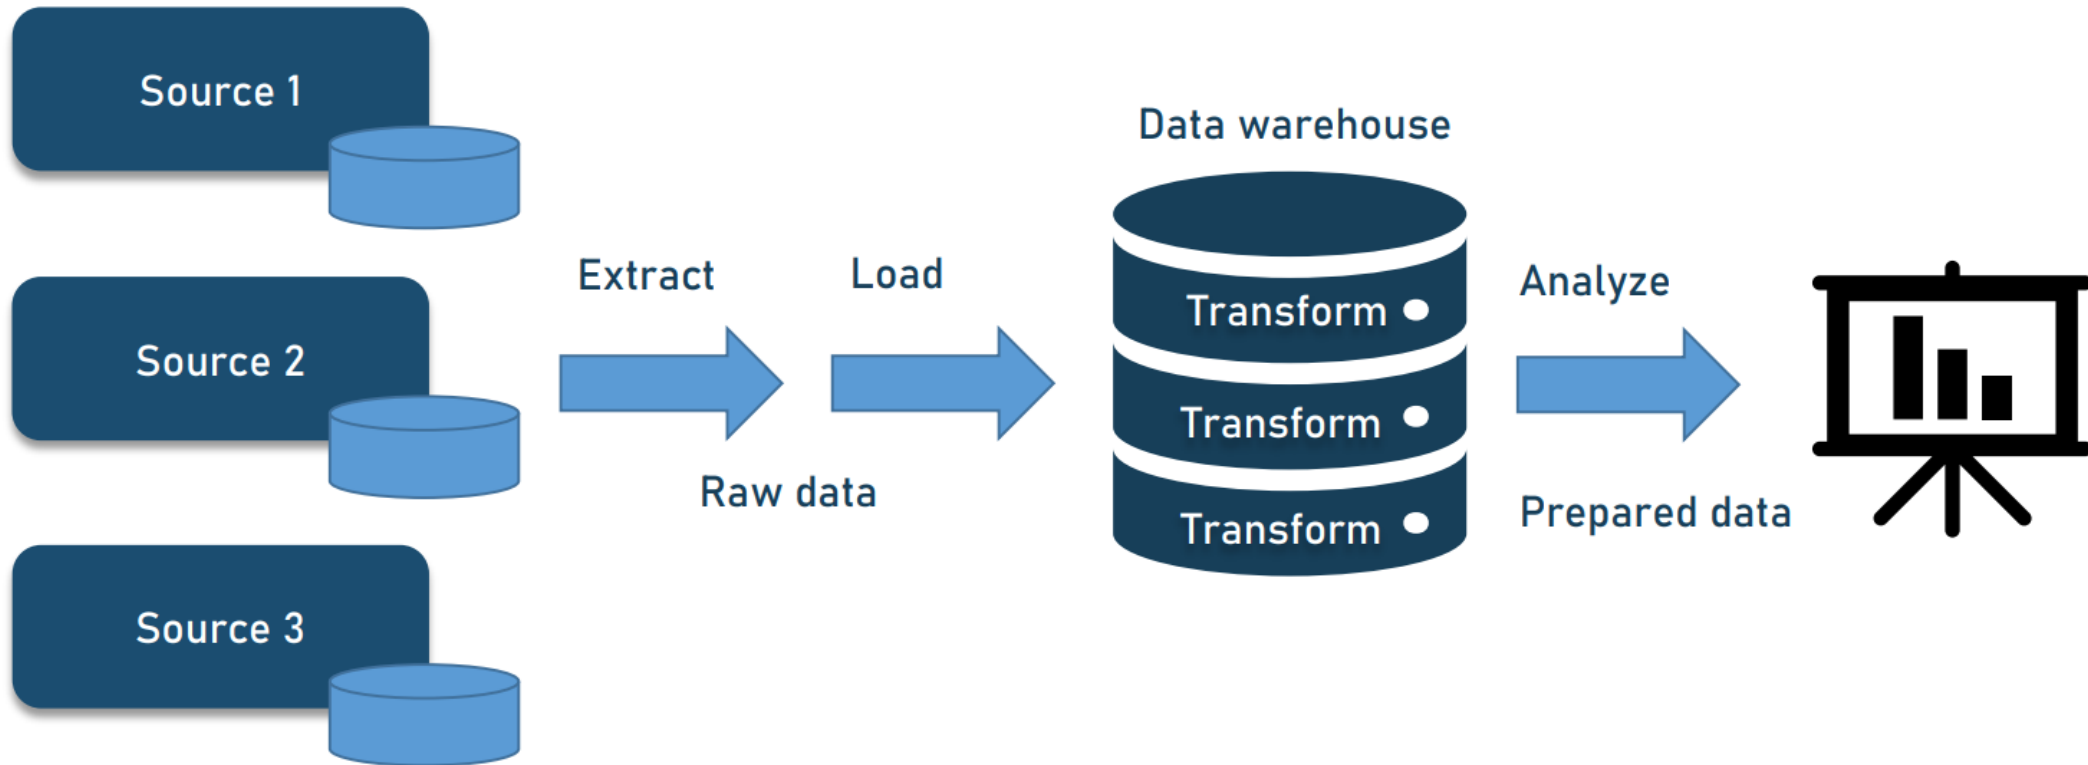

Research motivation

Genomics and genetics of human complex diseases

Grand Challenge

Summary

Mendelian whispers

Guiding trials with precision

Truth from genes revealed.
